PRIYANSHU KUMAR

Bihar, India | +91-6201193788 | priyanshukumar703028@gmail.com

PROFESSIONAL SUMMARY

Final-year B.Tech Computer Science student with strong foundation in Core Java, OOPS, SQL, and backend development. Skilled in building RESTful APIs using Spring Boot and integrating relational databases. Passionate about writing clean and optimized code and solving real-world problems. Seeking an entry-level Java Developer role.

TECHNICAL SKILLS

PROGRAMMING LANGUAGES

Java, C++, C

DATABASE

MySQL, SQL

TOOLS

Git, GitHub, Maven

BACKEND

Spring Boot, REST APIs

CORE CONCEPTS

OOPS, DSA, DBMS

IntelliJ IDEA, Postman

LANGUAGES

Hindi (Native), English (Native)

PROJECTS

ApnaTutor — Local Tuition Finder Platform
Developed a Spring Boot web application with REST APIs, MySQL integration, teacher registration, student search, and MVC architecture.

Student Management System
• Java, Spring Boot, MySQL
• Developed RESTful APIs for managing student data
• Implemented CRUD operations using Spring Data JPA
• Connected application with MySQL database

EDUCATION

2027 **Computer Science Engineering | Bachelor of Technology**
Amritsar Group of Colleges, Amritsar, Punjab
Graduated: 2027

CERTIFICATIONS

✓ Java Programming | ✓ Cloud Computing | ✓ Python | ✓ Machine Learning
✓ SQL & MySQL | ✓ Fundamentals

KEY STRENGTHS

OTHER INFORMATION

- Quick Learner
- Problem Solving
- Adaptability
- Team Player
- Strong Work Ethic

Tools: Git, GitHub, Maven, IntelliJ IDEA, Postman
IDE: IntelliJ IDEA
Database: MySQL
Interests: Coding, Problem Solving, Learning New Technologies
